APARTHEIDS MUSEUM

Collection by a Registered Tourist Guide from your Hotel of choice.

The Apartheid Museum, the first of its kind, illustrates the rise and fall of apartheid.

An architectural consortium, comprising several leading architectural firms, conceptualised the design of the building on a seven-hectare stand. The museum is a superb example of design, space and landscape offering the international community a unique South African experience.

The exhibits have been assembled and organised by a multi-disciplinary team of curators, film-makers, historians and designers.
